

Aron Jaroslawicz

30+ Years of Legal & Operational Risk Management Experience

Aron has over 30+ years of experience in derivatives capital markets and structured products, legal and operational risk management, compliance and process management.

Aron earned his J.D. from the Benjamin N. Cardozo School of Law and his Bachelors in Talmudic Law from the Torah Temimah Talmudic Seminary.

Highlights

- Adept at leading change initiatives, managing projects, and ensuring regulatory compliance in dynamic environments.
- Capital markets and derivatives-contract adviser.
- Change coordinator for process enhancements.
- Industry experience includes Financial Services, Banking, Capital Markets, Fixed Income, Equities, and Hedge Funds.

Professional Experience

- Spearheaded legal and operational risk management strategies, ensuring compliance with regulatory frameworks such as Dodd-Frank.
- Global director of multi-year project to remediate derivatives contracts, for compliance with new margin regulations (for uncleared derivatives).
- Led cross-functional teams in the implementation of change initiatives, optimizing processes and mitigating operational risks.
- Designed and managed web-based system, to track legal and operational risk from trading with special purpose vehicles (SPVs), and to facilitate effective event-management.
- Provided expert counsel on derivatives capital markets, structured products, and fixed income instruments.
- Orchestrated change initiatives from conception to execution, driving efficiency and compliance across the organization.
- Collaborated with stakeholders to assess needs, define project scope, and develop actionable plans to achieve strategic objectives.
- Utilized strong analytical and problem-solving skills to address complex challenges and streamline operations.
